AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT
THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.
Whereas there was this day read at the Board a Memorial

from the Right Honorable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz. :—

"Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council to establish the various Commuted Allowances proposed in the following table:—

Station.	Rank.	Commuted Allowance
Portsmouth . . .	Com.-in-Chief	£500 0 0
Devonport . . .	ditto	500 0 0
Sheerness . . .	ditto	400 0 0
Queensdown . . .	ditto	250 0 0
Portsmouth . . .	Sec. to Com.-in-Chief.	40 0 0
Devonport . . .	ditto ditto	40 0 0
Sheerness . . .	ditto ditto	40 0 0
Queensdown . . .	ditto ditto	40 0 0
Portsmouth . . .	Adm. Superintendent.	200 0 0
Devonport . . .	ditto ditto	200 0 0
Sheerness . . .	Captain ditto	125 0 0
Chatham . . .	ditto ditto	125 0 0
Pembroke . . .	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queensdown, and any other Commanders-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the entire Office of Flag-Lieutenant to the Admirals Superintendents of the Dockyards at Home is no longer required, and that unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next or before then in case of any fresh appointment of Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table M allowed to the Commanders-in-Chief at Home, and Admiral Superintendent of Your Majesty's Dockyards at Home; being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty be graciously pleased to sanction our proposal, that from the 1st of October last, Commanders-in-Chief at Home, Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave. Absence when granted by the Admiralty, not to exceed weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of the proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Privy Council, to approve of what is therein proposed: the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions in accordingly. (Signed) ARTHUR HELL

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of rank, involves the loss of previous time of service in that rank; so also, when a sentence of a Court-Martial takes away any seniority from an Officer, it there affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the senior forfeited, in cases where the Full and Half-Pay depend upon actual service.

Admiralty, 8th March, 1870.

COLONIAL CADETS.

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport about to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, will be provided for them by Mail Packet, or by private Ship; the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made that, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st February or the 31st August; and Parents are to arrange for the payments, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,
VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

2. The Terms are from about the 1st February to the 15th July—and from about the 31st August to the 20th December; and the Vacations will be six weeks at Midsummer, five weeks at Christmas, and two weeks at Easter; the dates of commencement of Vacation depending upon the completion of the examinations by the President, Royal Naval College, Greenwich.

PERIODICAL EXAMINATION OF JUNIOR EXECUTIVE OFFICERS ON BOARD HER MAJESTY'S SHIPS.

My Lords Commissioners of the Admiralty are pleased to issue the following Regulations in reference to the Periodical Examinations of all Junior Executive Officers of the ranks of Cadet, Midshipman, Acting Sub-Lieutenant, and the corresponding Officers of the Navigating Class, serving in Her Majesty's Fleet.

2. The Examination now held annually will be continued, commencing on the second Tuesday in July, and is to be conducted under the following Regulations:—

3. The papers in Navigation and Mathematics will be transmitted to the Fleet from the Admiralty, and are to be given to the Officers under examination in the following order:—

- Paper 1. On Tuesday, in the forenoon, 3 hours.

" 5. " " (Part II.)
" 6. Chart Drawing.

" 8. French.
" 9. Extra paper of Advanced Questions.

5. The seal of the envelope enclosing each paper of questions is not to be broken till the paper is set, and then in the presence of the Officers examined.

6. The following observations taken in the course of the previous year are to be sent in, with the work done at the Examination:—

A Latitude by meridian altitude of Sun.	5 marks.

The Error and rate of Chronometer (artificial horizon) from two observations taken on different days	30 "
A Variation by Amplitude	8 "
" " altitude Azimuth	10 "
" " Time	10 "

TOTAL. 200 "

These observations are to be initiated, as having been made and worked by the Junior Officers, by the Naval Officer or Officer acting in that capacity: and they are to be revised and valued, in red ink, by him. Observations are to be taken till correct results are obtained; by this means every Junior Officer will have the opportunity, by the exercise of the diligence, of obtaining full marks for his sights. A number is to be assigned to each Officer examined, and he is to note it on every paper he works out, together with the name of his ship; but he is never to write his name on the papers containing his observations. The books are to be allowed during the Examination of Tables of Logarithms and the Nautical Almanac. Such Dictionaries are not permitted.)

Each Junior Officer's log is to be closely written up, and to be examined and reported upon.

Each Junior Officer is to be examined as to his proficiency in seamanship, gunnery, and steam: the questions are to be determined by length of service, and marks are to be given according to proficiency—full numbers being 1000 for gunnery, 600 for gunnery, and 400 for steam.

The examination in seamanship, gunnery, and steam is to be conducted by the Officer in Command, assisted by Junior Lieutenant, Gunnery Lieutenant, and Chief Gunner, or other competent Officers. The examination in Navigation, Mathematics, &c., is to be conducted by the Instructor, who, where necessary, is to be assisted by the commanding Officer. In those ships where no Naval Officer is borne the Officer in Command will appoint a Junior or other competent Officer to conduct the examination.

At the time of the written examination two or more Junior Officers in company, it is desirable that they should be examined by the Instructor, so that the examinations should be conducted by a stranger, rather than by an Officer belonging to the same Ship as the pupils.

When the Examination is concluded, the worked papers are to be examined on board each ship by the Naval Officer or the Officer who conducted the examination, and to be forwarded to the Captain, for the information of the Commanding Officer, of the probable results of the examination.

The papers are then to be sent to the Flag Ship of the Squadron or Station for the information of the Commanding Officer, and are to be examined by the Naval Officer of that or such other Ship as the Commanding Officer may direct, who is to issue a statement of the results of the examination, and which is to be promulgated among the Junior Officers on board which the examinations were held.

All the papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the Index numbers, and a statement of the date on which each Officer was examined, and out of the "Britannia," and the Class then obtained for study, together with the marks allotted in Seamanship, Gunnery, and Steam, and also a copy of the promulgated statement of results.

The Examination, formerly held half-yearly by the Naval Officer, is to be revived and held in December of each year, and the results communicated to the Commanding Officer in the usual form printed at page 64 of the Regulations to the Queen's Regulations.

In the case of any emergency arise, such as "stress of service," so as to interfere with the authorised days of examination is to be held as soon after as circumstances permit, and the Commanding Officer is to report the full results of the case.

The Circular No. 73 C.W. of 23rd December, 1873, is hereby cancelled.

ROBERT HALL.

Admiralty, 27th May, 1874.

PROVISIONAL EXAMINATION OF MIDSHIPMEN, NAVIGATING MIDSHIPMEN, CLERKS, AND ASSISTANT ENGINEERS.

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which a Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (Art. 12, p. 64), which in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of Service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Midshipmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman succeeding in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

Admiralty, 18th April, 1875.

(NEW FORM OF PASSING CERTIFICATE FOR RANKS OF LIEUTENANT AND NAVIGATING LIEUTENANT.)

1. The annexed form of Passing Certificate for the ranks of Lieutenant or Navigating Lieutenant is to take the place of the form of Passing Certificate at present in use.

2. With a view of placing officers examined abroad for the rank of Lieutenant or Navigating Lieutenant on an equal footing with officers examined at home, my Lords have decided to dispense with examinations abroad in Gunnery and Navigation, except in the special cases, and in the modified manner mentioned in Section 4 of this circular.

3. In order, however, to insure a sufficient knowledge in Gunnery and Navigation, candidates for examination in Seamanship abroad, are, if Midshipmen, to produce certificates of proficiency in Gunnery and Navigation, and if Navigating Midshipmen, a certificate of proficiency in Navigation. Such certificates are to certify, and be signed, &c., as follows:—

a. The Gunnery certificate is to state that the officer is well acquainted with the Gunnery duties as laid down at page 182 of the "Manual of Gunnery," as modified by the alterations of 1874, and is to be signed by the Gunnery Officer, and approved and signed by the Commanding Officer.

b. The Navigation Certificate is to state that the officer is qualified to navigate one of Her Majesty's ships, and that he has taken the oaths ordered by Article II, p. 63, of the "Admiralty Instructions," and has produced the book in which they were worked: and it is to be signed by the Naval Instructor or Navigating Officer, and approved and signed by the Commanding Officer.

4. These certificates are to be made out a fortnight before the day of the examination in seamanship. In cases, however where the Commanding Officer, or any of the officers who have to certify, have doubts as to the candidate's qualifications, the Commanding Officer is to order him to be specially examined by the officers named in the preceding paragraphs, in order that, if found qualified, he may receive the necessary certificate for Gunnery or Navigation, or both, as the case may be.

If this examination be considered necessary, and if there be no officer in the ship capable of conducting it, the Commanding Officer is to apply to the Senior Officer, or, if he is himself Senior Officer, he is to order the examination to be conducted by any officer he may consider competent for the duty.

5. In future, on becoming an acting Sub-Lieutenant, or acting Navigating Sub-Lieutenant, an officer is to be discharged to the Supernumerary List, and as soon as the absolute necessities of the service will allow, is to be sent to England by first opportunity of a man-of-war, to complete his examinations.

6. The form given at page 32 (modified by circular letter of 26th March, 1875), of the appendix to the Queen's Regulations is cancelled.

ROBERT HALL.

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations for the entry of Engineer Students in Her Majesty's Dockyards shall be substituted for those now in force.

2. Vacancies for Appointments as Engineer Students in the Dockyards are open to public competition. The Dockyard at which Engineer Students are entered each year will be fixed by their Lordships.

3. The Lists of Candidates for these appointments will be kept at the Admiralty in London. All applications for the forms to be filled up by persons who wish to compete must be addressed to the Secretary of the Admiralty before the 1st of March in each year. Such applications should state the place at which the Candidate desires to be examined.

4. Candidates must not be less than Fourteen, nor more than Sixteen Years of age on the 1st day of the Examination. Proof of Age will be required by the production of a Certificate of Birth, or by Declaration before a Magistrate. Evidence of respectability and good character must also be produced. All Candidates must be children of British subjects.

6. Candidates are to understand clearly that they will be required to satisfy the Admiralty as regards their age, especially, good character, and physical fitness, before they can be considered eligible for entry into the Dockyard, and if these conditions are satisfactory, they will then be examined by the Civil Service Commissioners in Educational subjects.

7. Candidates in or near London will be medically examined by the Medical Director-General of the Navy at the Admiralty. Those residing near one of Her Majesty's Dockyards, or one of the First Reserve ships, will be examined by the Medical Officers attached thereto. Special arrangements will be made, if necessary, on application, with reference to Candidates from more distant localities. All Candidates must produce Certificates to the satisfaction of the examining Medical Officers that they have been re-vaccinated, or they will be re-vaccinated before they can be considered eligible for entry into the Dockyard.

8. The Examination will commence on the first Tuesday in May in each year, and will be held by the Civil Service Commissioners in London, Liverpool, Portsmouth, Devonport, Bristol, Leeds, Newcastle-on-Tyne, Edinburgh, Glasgow, Aberdeen, Dublin, Belfast, and Cork.

10. Candidates who fail to pass in the first three subjects (those marked with an asterisk), or in reading aloud, will be disqualified, and their other papers will not be examined. The Candidates who display a competent knowledge of all these subjects, and who obtain not less than 750 marks in the aggregate, will be classed in one general list in order of merit according to the number of marks gained, and will be eligible for appointment as Engineer Students in one of the Dockyards, according to the number of appointments which it may be decided to make that year.

11. The successful Candidates will be entered as Engineer Students before the 1st July in each year, and must enter, if required, into Her Majesty's Naval Service as Assistant Engineers, if at the expiration of their training they should obtain certificates of good conduct and efficiency for entry in that capacity.

12. The Parents or Guardians of all Engineer Students entered in future will be required to pay the sum of £25 a year for each Student during the first three years of his training.

13. The first payment of £25 is to be made before the Student is entered in the Yard, and the second and third payments of £25 each are to be made on or before the 30th day of June in each of the two succeeding years. 15. Engineer Students will be under the supervision of the Captain of the Steam Reserve and a Staff of competent Officers, and subject to such rules and regulations as their Lordships may deem necessary.

16. Special Regulations will be made for Engineer Students in the Dockyards, so as to make a distinction between them and the Workmen.

17. Engineer Students will remain for Six Years at one of the Dockyards for practical training in the Workshops, and to receive instruction in Iron Shipbuilding. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Dockyard Schools for such periods, and to pursue such studies as may from time to time be determined on: they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out afloat, the practical use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

18. Engineer Students will be examined once a year under the direction of the President of the Royal Naval College. They will be examined by the Engineer Officers of the Admiralty at the end of the fourth, fifth, and sixth years of their service as to their practical acquirements and knowledge of steam machinery. Two prizes will be given annually at each Dockyard to the Engineer Students most highly reported on as regards their skill as workmen. Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects, will be shown distinct from those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final examination.

19. The Examination of the Sixth-Year Students is to be held in time to allow the result to be known by the 1st July in each year, and it will include tests of their skill as workmen. Those found qualified will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Assistant Engineers on probation, on the 1st October succeeding the Examination, where they will pass through a course of higher instruction during one term.

20. Those Engineer Students who fail to pass the Examination at the end of their Six Years' service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during such year of probation will be the same as during the sixth year.

21. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Service by the Medical Officers, and have learned to swim.

By Command of their Lordships,
ROBERT HALL,

NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

FLEET CIRCULAR No. 8.—C.

Admiralty, 27th March, 1877.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 49 C, of 7th August, 1873, and No. 18 C, of 3rd October, 1876, are hereby superseded, and their provisions, so far as they are retained, are embodied in this circular.

2. Lieutenants, under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Navigating officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the 'Excellent' or 'Cambridge'; and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigation duties should be senior to the Senior Officer appointed for Executive

Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

10. The pay of Executive Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and, when appointed to Flag Ships, extra pay of from	2 <i>s</i> . 6 <i>d</i> . to 5 <i>s</i> . a-day.
At the discretion of their Lordships.	
Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of	3 <i>s</i> . a-day
Under five years' seniority, extra pay of	2 <i>s</i> . 6 <i>d</i> . a-day
If passed for First Class Ships, without regard to seniority, extra pay of	4 <i>s</i> . a-day
Sub-Lieutenants.—The full pay of their rank and extra pay of	2 <i>s</i> . 6 <i>d</i> . a-day

11. All Officers now on the lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

12. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieutenants' list; but if they elect the Executive list they will still be required to perform the same duties as other Lieutenants who are appointed for Navigating duties, if called on to do so, until promoted to the rank of Captain.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, within the first six months of their service, be required to go through a course of Gunnery in the 'Excellent' or 'Cambridge,' and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

Acting Navigating Sub-Lieutenants will, on completing their examinations, including Pilotage, be allowed the right of being placed on the Sub-Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the latter list, they will be placed upon it with the seniority which they would have obtained had they remained on the Navigating list; but should their seniority happen to be the same as that of any Sub-Lieutenant who has always been on the Executive list, they will be placed on the list as such Sub-Lieutenant.

Acting Navigating Sub-Lieutenants, when placed on the Sub-Lieutenants' list, will be appointed to the 'Excellent' for a course of Gunnery instruction, and will be required to perform Navigating duties, if called on to do so, and promoted to the rank of Captain.

Officers transferred from the Navigating to the Executive list will be eligible for promotion to the highest rank in the service; and they will come under the same rules as promotion, pay, retirement, &c., as apply to officers who have always been on the Executive list.

Executive officers, and officers appointed from the Navigating to the Executive list, who perform Navigating duties, will be shown, in the 'Navy List' with the letter N against their names.

By Command of their Lordships,
ROBERT HALL.

To all Commanders-in-Chief, &c.

* Executive Officers, Marine Officers, Paymasters, Assistant Paymasters, Engineers.

ROYAL NAVAL COLLEGE, GREENWICH.

EXTRACTS FROM CIRCULAR No. 8.—C.

Admiralty, 30th January, 1873.

(Modified as regards Engineer Officers by the Regulations of June, 1877.)

Her Majesty by Her Order in Council, dated 16th January, 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the said College on the 1st of February next, at which date the instruction of the Gunners Lieutenants and the Sub-Lieutenants will commence. The arrangements for the higher courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special provisions have been made to prevent any interruption or disarrangement in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

1. Captains and Commanders.
2. Lieutenants.
3. Navigating Officers.
4. Naval Instructors.
5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
6. Officers Royal Marine Artillery.
Ditto Royal Marine Light Infantry.
7. Officers of the Engineer Branch, viz.:—
Chief Engineers.
Engineers.
Assistant Engineers.
Acting Assistant Engineers.
8. A limited number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.

A course of instruction at the College will also be open to a limited number of—

9. Private Students of Naval Architecture or Marine Engineering.
10. Officers of the Mercantile Marine.

It is not intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman, in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the 'Excellent' Gunnership as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition, as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study.

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz., Kinematics, Mechanic Optics, and the Theories of Sound, Light, Heat, Electricity and Magnetism.
3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.
4. Nautical Astronomy, Surveying, Hydrography, and Maritime Geography, Meteorology, and Chart Drawing.
5. Experimental Sciences:—
 - a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
 - b. Chemistry.
 - c. Metallurgy.
6. Marine Engineering in all its branches.
7. Naval Architecture in all its branches.
8. Fortification, Military Drawing, and Naval Artillery.
9. International and Maritime Law; Law of Evidence and Naval Courts Martial.
10. Naval History and Tactics, including Naval Signals and Steam Evolutions.
11. Modern Languages.
12. Drawing.
13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:

A Flag Officer will be President; he will be assisted by Captain in the Royal Navy in matters affecting discipline and in the internal arrangements of the College connected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

- A Professor of Mathematics.
- A Professor of Physical Science.
- A Professor of Chemistry.
- A Professor of Applied Mechanics.
- A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

- (a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

- (b) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) at the College at Greenwich before commencing the practical course in the 'Excellent' instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunners Lieutenants if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to Officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy a useful manner the time necessarily spent on shore. Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent any time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for the instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private Students to the College of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students at the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, and Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

A paramount object which my Lords have pursued in the formation of the College has been to provide the most efficient means for the higher education of Naval Officers, and to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages to the Service likely to accrue from the connection which is established through the College between men employed in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest instruction in theoretical subjects to Naval Officers of all ranks, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific instruction which have most interest for the Navy.

REGULATIONS FOR ADMISSION TO THE ROYAL NAVAL COLLEGE, GREENWICH.

1. Captains and Commanders.

Twenty-five Captains and Commanders may be admitted annually as Students at Greenwich.

Those admitted for study must satisfy the authorities of the College that they possess a fair knowledge of Elementary Mathematics on entry.

The term for study will commence on 1st October in each year, and will terminate on the 30th June following.

The President will be directed to ascertain whether Captains and Commanders admitted as Students are making satisfactory progress, and to report the result for the information of their Lordships.

A limited number may be allowed to remain a second term for study, if they be desirous of doing so, on the recommendation of the President, to the Admiralty.

Captains will be on the half-pay of their rank, with 1s. 6d. a day towards the mess.

Commanders will receive the highest half-pay of their rank, with 1s. 6d. a day towards the mess.

2. Lieutenants.

Officers of this rank may be admitted to Greenwich as

Students. The numbers to be admitted annually will be determined from time to time by their Lordships.

They will be required to pass an examination on entry.

The ordinary course of study will be for one term, at the conclusion of which an examination will take place.

A limited number, not exceeding 10, will be allowed to remain a second term for study, if they be desirous of doing so, on the recommendation of the Examiners to the Admiralty, with the concurrence of the President.

The Lieutenants will receive 3s. a day in addition to half-pay during their first term, and 1s. 6d. a day towards the mess. Those selected for a second term will receive the amount of their full pay and 1s. 6d. a day towards the mess.

Lieutenants desirous of qualifying as Gunnery Officers must serve one year at sea as Lieutenants before commencing their studies. If they have not served afloat in that rank at the time they apply, they will, if their Lordships approve of their application, be appointed at once to a sea-going ship to complete their year's sea time. They will then proceed to Greenwich for one term, which will be devoted to theoretical instruction before commencing their practical course in Gunnery on board the 'Excellent.' They will receive full pay and 1s. 6d. a day towards the mess during their course of study. They will be borne on the books of the 'Excellent.'

3. Navigating Officers.

Four Staff Commanders and ten Navigating Lieutenants may be admitted annually, as Students, under the same regulations as for Commanders and Lieutenants.

They will receive respectively 10s. and 7s. a day, including half-pay (or the amount of their half-pay, if it exceed these sums), with 1s. 6d. a day towards the mess.

4. Naval Instructors.

Gentlemen who in future apply for appointments as Naval Instructors will be permitted to prepare for their examination at the College at Greenwich, under the same regulations which have hitherto been established at Portsmouth.

During their subsequent service as Naval Instructors, they will be admitted as Students for one Term if they be desirous of acquiring further scientific knowledge, and if their services be not required afloat.

They will, during that term, receive the half-pay to which they are entitled, and 1s. 6d. a day towards the mess.

5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.

The arrangements already in force for the examination of Midshipmen for the rank of Lieutenant will remain unaltered during the present year, with the following exceptions.

Acting Sub-Lieutenants who have passed their examinations in Gunnery on board the 'Excellent,' but who have not yet passed in Navigation, will join the College at Greenwich, on 1st February, 1873, to prepare for their examination in Navigation.

Monthly examinations in Navigation to qualify Officers for the rank of Lieutenant will, in future, take place at Greenwich, instead of, as heretofore, at Portsmouth.

After 1st February, 1873, Officers will proceed to the College immediately they have passed in Gunnery on board the 'Excellent.'

One month's additional time will be allowed for Acting Sub-Lieutenants to prepare for the examination in Navigation, after which time the Regulations now established for Officers failing to pass will be put in force.

During the period of study at the College, Acting Sub-Lieutenants will be borne on the books of the 'Excellent,' and will receive 1s. 6d. a day towards the mess.

The following arrangements to take effect from 1st January, 1874:-

Midshipmen serving at home, who shall have completed the necessary term of service, and have attained the age of 19, must, within 6 months, apply for permission to be examined for the rank of Lieutenant, and present themselves on board the ship specified on the day appointed for examination in Seamanship.

Having passed in Seamanship, they will proceed as Acting Sub-Lieutenants to the 'Excellent' on the first specified day of entry, where they will be examined, after 3 months' instruction, in Gunnery.

[Circular No. 8 (C) of 30th Jan., 1873, p. 8, d. c.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on part either of Midshipmen to pass their examination in gunnery for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent,"—and hereby declare that for the future one month's seniority shall be forfeited for such rejection.

12. No pension, except a pension for wounds, can be commuted.

X. Temporary Provisions.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62, of 1873, 21, of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 35 & 36 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications in the latter case:—

(a) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 65, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March, 1866, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b) To be retired as soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March, 1866; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d) Flag Officers so retired retain their Good Service Pensions.

(e) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to the active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who elect to be allowed to be retired at once under the new Regulations, to be entitled to 675*l.* instead of 600*l.* a year, of retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than years' standing, to be allowed the option of accepting, to promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March, 1866, but with the following modifications in the latter case:—

(a) Not to be allowed to remain on the Active List: Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased;

(b) When promoted to the Active Flag List to be subject to the new Regulations in all respects.

except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March, 1866.

20. All Captains now on the Active List, of less than 8 years standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

21. Until the Active Lists of Captains, Commanders and Lieutenants, shall have been reduced to 150, 200 and 600 respectively, only one in every four vacancies caused by promotion, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

22. The Order in Council, 5th February, 1872, 5th August, 1870, altering this paragraph.]

23. No further additions to be made to the List of Retired Flag Officers.

24. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

25. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

26. All Commanders and Lieutenants now on the Active

List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August, 1860, 9th July, 1864, and 24th March, 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

[See Order in Council of 31st July, 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 26th June, 1867, on some of the Reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April, 1847, 25th June, 1851, and 26th June, 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
the 4th day of August, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August, 1873, in the words following, viz.:

"Whereas in Your Majesty's Order in Council of 22nd February, 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be cancelled, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from that rank under Your Majesty's Order in Council of 22nd February, 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August, 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers, he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea: Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above-recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August, 1873.

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

EDMUND HARRISON.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August, 1875.]

At the Court at Osborne House, Isle of Wight.

The 5th day of February, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz.:

"Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to vacancies caused by retirement, according to the following scale:—

(a). One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b). One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c). One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers.

Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vic., cap. 58.

13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—Q.

At the Court at Osborne House, Isle of Wight,
The 6th day of August, 1875.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy, and whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion, we are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

We would therefore most humbly submit to your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting 10 Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.

10 Admirals.

25 Vice-Admirals.

35 Rear-Admirals.

68

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition, to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded: should there be more than fifteen vacancies in any year, the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, electing this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

Admirals and Vice-Admirals	55
Rear-Admirals	50
Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's

Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased by, and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 8.—C.W.

At the Court at Osborne House, Isle of Wight,

the 21st day of July, 1876.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July, 1876, in the words following, viz.:—

"Whereas We have had under Our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February, 1870, and 6th August, 1873, and who, not having the required sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's

Order in Council of 5th August, 1875, Captains are allowed one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to Your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies

which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorized by Your Majesty's above-named Order in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order in Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down in Your Majesty's Order in Council of 26th June, 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymasters who may have completed 20 years' service, including Assistant Paymaster's time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided that Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at Our discretion, we are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotions should, in addition to the above-mentioned requirements, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at Our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of the Admiralty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR BELL.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,

the 5th day of February, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January, 1872, in the words following, viz.:

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, if of a certain duration should not be unrecognized: We do therefore most humbly submit that Clause 3, Paragraph 3, of the said Order in Council be cancelled, and that We be authorized to make the following Regulations:—

1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

After 10 years' Service . . .	£ 50 per annum
" 15 " " " " "	£ 100
" 20 " " " " "	The amount earned by service under Order in Council of 22nd February, 1870.

2. That Chaplains who have less than 10 years' service, and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half-pay or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained: And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

[See Chapter 29 of 1873.]

ORDER IN COUNCIL, No. 5.—C.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March, 1873, in the words being, viz.:

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to ensure a steady and more equal flow of promotion, it is expedient to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February, 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore, humbly propose to Your Majesty—

"1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February, 1870, be cancelled.

"2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.

"3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.

"4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters of whatever age be retired, with their consent and at their discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February, 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

"a. If under three years' standing, with the pay of two shillings and sixpence per diem.

"b. If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, these being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February, 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, we be empowered to promote to the rank of Paymaster, in the vacancies caused by death or compulsory retirement, not exceeding ten in any one year; but that in the case of voluntary retirement no promotion shall be made.

"We beg that your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of December, 1871, in the words following, viz.:-

Admiralty, 10th July, 1872.

My Lords Commissioners of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard that, by the Order in Council of the 22nd of February, 1870, they are entitled to the same pay as Officers of corresponding rank in the Royal Navy; the whole question relative to rank, pay, and pension of Officers serving in the Coast Guard has been referred to the Law Officers of the Crown, who have given their opinion as follows:-

1st. That by the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rates of pay which are or may be given to Officers of their respective ranks in the Navy.

2nd. That the Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Coast Guard towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea.

3rd. That the Navigating Officers employed in the Coast Guard are not entitled to the increased pay, &c., given by the Order in Council of the 22nd

"Whereas Your Majesty was, by Your Order in Council of 22nd February, 1870, most graciously pleased to sanction certain alterations in regard to the retirement of Officers in Your Majesty's Royal Marine Forces, whereof the effect is that service will not reckon for retirement until after 20 years of age: And whereas we are of opinion that the Regulations in respect of age should be modified in favour of those Officers who entered the Royal Marine Forces previous to the 1st April, 1870, the day on which, by Your Majesty's Order in Council before mentioned, the said Regulations came into force: And whereas we deem it expedient, with the view of increasing the efficiency of Your Majesty's Royal Marine Forces, to provide, as a temporary measure, for the Retirement upon Annuities of a limited number of Officers whose services are not of sufficient length to bring them within the scale established by Your Majesty's Order in Council aforesaid: We do, therefore, most humbly submit that Your Majesty will be pleased to sanction, with reference to the aforesaid Officers, the following modifications and temporary extension of the aforesaid Order in Council:-

1. That all Officers who entered the Royal Marines before 1st April, 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to reckon their service for retirement from the age of 13; those who entered at or after 18 years of age, to reckon their service from the date of their first Commission, but the maximum rates of Retired Pay, fixed by Clause 14 of the aforesaid Order in Council, shall, under no circumstances, be exceeded.

2. That until the Royal Marine Forces shall be reduced to numbers proportionate to the requirements of Your Majesty's Service, we be authorized to permit Officers of 12 years' service or upwards to retire permanently, if we see fit, upon Annuities in accordance with the following scale:-

After service on Full-Pay for—	Annuity.

18 "	161
19 "	176
20 "	191
21 "	208

3. That we be permitted to extend to any Colonel Commandant, whose Command dates prior to 1st April, 1870, when placed on the Reserved List, the advantage of receiving the amount of his present rate of pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October, 1876, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court Martial: And whereas such officers are, in some cases after good service for many years, rendered destitute by being thus

deprived of all professional resources; We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed £100 per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-time, the Lords Commissioners of the Admiralty hereby pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 180l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

3. Vice-Admirals to be retired on attaining 66 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 99:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	43
Total	86

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flag, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 45 years of age, and who have been on the Captain's List for two years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 150.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:

- From 10s. 6d. Half-pay List when retired . 18s. per diem.
 - From 12s. 6d. 20s. " "
 - From 14s. 6d. 21s. " "
- Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag Seniority, had they remained on the Active List.
4. Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.
5. Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60, without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

- From 10s. 6d. Half-pay List when retired . 18s. per diem
- From 12s. 6d. 20s. " "
- From 14s. 6d. 21s. " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag Seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in Paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they

shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

5. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 80 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75s. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council

4. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

2. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

V. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

V. Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of 8s. 6d. a day, with the rank of Commander. Their widows receive a pension of 60l. per annum.

By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7s. a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding Office they must resign, if they wish to take advantage of the title of Retired Commander.

20
Officers after twenty years' service in these ranks, or who are physically incapable of service, to be eligible for this retirement, with the rank and title of Retired Captain, irrespective of age, at the discretion of the Board of Admiralty.

5. Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of August, 1880, as well as those who may hereafter so retire, to be allowed to assume the rank of Retired Captain, on attaining fifteen years seniority, but without any increase of half-pay or Widows Pension, beyond that authorised by the said Order in Council.

1866.
Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet; but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years, or, being a Chief Gunner, Boatwain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st October 1875, or subsequently placed thereon in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriages, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1890, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commission Officers (including service in junior ranks as Commission Officers), except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Warrant Officers (Gunners, Boatwains and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Retired Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although a portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of Dec., 1890, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1890, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1890, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations—notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

in computing the period on the list of Commission Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Commuted, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the ships of friends by mistake, or in quelling disturbances on shore; and persons dying of their wounds within six months shall be considered as persons slain, viz. :—

- i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.
- ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Commuted Money and other Full-Pay allowances, except Table Allowance, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued to the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commission Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of sixteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz. :—

- 1st. Children of Officers killed or drowned on duty.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the

Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital are not eligible for Compassionate Allowances, but, on their ceasing to be chargeable to Greenwich Funds, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pension on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half Pay of his Rank and standing at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marrying, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GREENWICH HOSPITAL PENSIONS.

There are two classes of Pensions, the "Age" and "Special Pensions." They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good. The Age Pension is given in addition to the Naval Pension, to halve the amount of the Naval Pension.

Special Pensions are given, at the discretion of and under Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, and the other circumstances of his case; the amount of the fund from which these Pensions are given is limited to 30,000*l*. a year.

GRATUITIES TO WIDOWS AND CHILDREN AND PARENTS OF MEN KILLED ON DUTY.

The Widows of Petty Officers and Seamen of the Royal Navy, and of Non-Commissioned Officers and Privates of the Royal Marines, are not eligible for Pensions under any circumstances whatever, but if their husbands have been killed or drowned on duty in Her Majesty's Service, or shall have died from causes clearly attributable to the Service they shall be allowed, under the provisions of Order in Council of 9th September, 1865, a Gratuity equal to one year's full wages, according to the rating of their late husbands at the time of their death, exclusive of any badge or other extra or additional pay.

In the event of such men not leaving widows, but leaving children, or aged parents who were dependent on their sons' official allotments, Gratuities, not exceeding one year's full-pay, may be given, at the discretion of the Admiralty, to such children or parents, under the provisions of Order in Council of 4th February, 1875.

All correspondence on this subject is to be addressed "To the Secretary of the Admiralty."

If they then be reported physically fit, they will be retained in the school until fifteen and a half years of age, otherwise they will be discharged.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date we have graciously pleased to annul, from and after the 1st day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Scheme therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Ships, and of the Rewards conferred for the same, as also the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially regulated by the Terms of the respective Awards and Proclamations, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being made, it is expedient that Provision should be made for the Distribution of such net Proceeds and Salvage as otherwise specially apportioned, and all other Monies and Rewards granted to be shared among the officers and Crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in possession of a prize, as also of the captor, under circumstances which entitle him to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, awards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows:

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, as also, made by any of the ships or vessels under our command, and of the rewards conferred for the same, according to the following conditions and modifications, and except as hereinafter provided and directed; and to say—

When there is but one flag officer he shall have the entire

one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer

before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts

for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodore of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloop. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, or boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

CIRCULAR No. 33.—LMM.

Admiralty, 9th May, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict., cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and

Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

(*) Name of Officer.

(†) Description and name of Ship.

(‡) Name of Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in the country, my Lords desire that, upon a Ship being put on Commission, the Officer appointed to the command decided without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and shall render another name of such Agent (as also the name of any sub-agent) to their Lordships' Secretary.

4. In the event of its being found necessary to have proceedings against any Vessel or property, to have a share; the Officer will take care that all costs and bills of lading,

curred in such proceedings are paid either by himself, or by arrangement with the Ship's Agent. He will also forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds, if any, to which the Captors are entitled, or re-payment of any expenses which may have been incurred in their behalf.

CIRCULAR No. 71.—LMM.

Admiralty, 7th November, 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURES, OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of 5th January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission by, or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 12th Section of the Naval

Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay the legal expenses attending the prosecution, or to negotiate a bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur.

"2. In case any proceedings shall have been instituted by or on behalf of, any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, is to be charged as an Imprest against such Commanding Officer until the Treasury (should they so decide) shall repay the same under the 19th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; but should a delay necessary to obtain such approval be in any case convenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, the case being afterwards reported to the Commander-in-Chief or Senior Officer."

And that such Share or Shares of the Admiral or Admirals, or of the Captain or Captains, Officer or Officers, as shall be before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on Freight, as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for Public and Private Treasure conveyed on board Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent. for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: it is further declared, That in all other respects the Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Eighth Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October.

My Lords Commissioners of the Admiralty are directed that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from sums belonging to the State such sums as they themselves are entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1819, granting an allowance for Treasure deposited on Her Majesty's Ships for Custody only, as if such were a conveyance from one place to another with the same station, my Lords direct that the Regulation to that Order are not to be considered as applying to Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,
SIDNEY HERBERT

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN AND MARINES.

DIRECTIONS FOR THE EXAMINATION OF OFFICERS, SEAMEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

Art. 416, p. 132, of *Addenda to Queen's Regulations*.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of scalds or injuries of the bones of the head, whether his sight or hearing is defective, whether he is deformed, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without trying the examination further.

In the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself of his clothes; and the Medical Officer is then to try himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that there is no evidence or sign of the existence of any internal complaint or constitutional derangement.

It is to ascertain that there is a proper and just proportion between the different members of the body, that there is no weakness or deformity, that the limbs are of equal strength, and well developed, that there are no visible marks of previous fracture, depression, or disease of the head, nor adherent cicatrices, that the eyes are intelligent, and expressive of health, the eyesight good, the hearing perfect in both ears, that there is no defect of strength of the bones of the nose, and that the teeth are strong, and sufficient in number.

What should be carefully examined in reference to its size and capacity, and the condition of the heart and lungs, and by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained organs, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to stand, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, to pronate and supinate the forearm; to flex and extend the hand and thumb; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five minutes.

The examination of the lower extremities, the person is made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs, and to show that the movements of the various joints are freely and rapidly performed.

Persons of whatever class, or age, who are found to be suffering under any of the undermentioned physical defects or diseases, are to be considered unfit for Her Majesty's Service.

A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or chronic disease, constitutional depravity, wounds or

Eczematous eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of scald, leeching, or blistering, or of issues. Marks of disease are to be reported to the Commanding Officer.

Malignant disease of the head, with a dry, harsh, divergent of the hair of the scalp, fracture or depression of the skull, disordered intellect or imbecility, epilepsy, or impediment of speech.

Obstruction or defective vision in one or both eyes, fistula, or other disease of the eye.

Impaired hearing, or discharge from one or both ears, or thickening of the lining membrane of the external

meatus of the bones of the nose or of its cartilages, and

Disease of the throat, palate, or tonsils; unsound teeth, or breath from constitutional causes, unhealthy gums,

Disease of the glands of the throat or neck, external disease, whether from acrofulous sores or suicidal wounds.

Internal or organic diseases of the heart or blood vessels, or any contraction of the chest, flattening of the chest, phthisis, hæmoptisy, bronchitis

apex, chronic cough, or other symptoms of pulmonary exhalation into the pulmonary tissues.

10. Swelling or distention of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

CIRCULAR No. 34.—N.

Admiralty, 4th August, 1875.

(EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.)

My Lords Commissioners of the Admiralty are pleased to issue the following Regulations as to the entry of Second Class Boys for Her Majesty's Navy:—

1. Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz:—

Commanding Officers of Training Ships.

Captains of District Ships.

Commanders of Drill Ships.

Captains of the Flag Ships at Sheerness and Queens-town.

Commanding Officers of the "Fisgard" at Greenwich.

And of the "Nankin" at Pembroke.

2. Boys may be provisionally entered by Officers of the Coast Guard, the Recruiting Officers of Marines, and any other Officers specially authorised by their Lordships sending them to the nearest District or Training Ship to be there finally entered.

3. Every Boy previous to being entered must satisfy the Examining Officers:—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

		Height (without shoes).	Measurement round the Chest.
Boys between 15 and 15½ ..	4 ft. 10½ ins. ..	29 ins.	29½ ins.

The Medical Examination is, in all cases, to be conducted as laid down in Article 410 of the Addenda.

6. If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

7. The Examining Officers will also fill up the Form and Certificate attached to the Engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

He must understand the use and management of the various gauges—of the feed, injection, and blow off cocks. He must know how to ascertain the density and height of the water in the boilers, and what should be done in the event of priming. REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—LWM.

Admiralty, 10th February, 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, 1873, has been pleased to sanction the following Regulations for the Discipline of Land Forces embarked as Passengers on Board Her Majesty's Ships, the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,
the 12th day of December, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December, 1873, in the words following, viz. :—

Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled "An Act to make Provision for the Discipline of the Navy," &c. :—

"That Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct."

Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February, 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's Ships, in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be to the advantage of Your Majesty's Naval and Military Forces to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to cancel the said Regulations, and in their place to sanction the following :

"1. Whenever any of your Majesty's Land Forces, or any Royal Marines formed into a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for those purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong."

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in

which he is embarked, the Commanding Officer of the ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial."

"3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission."

"4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship."

"5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR HELPS.

By Command of their Lordships,
ROBERT HALL.

MISCELLANEOUS CIRCULARS, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.

(Including those serving as Pensioners, and except those mentioned in paragraph (g)) may be recommended for the "Good Conduct and Long Service" Medal and Gratuity under the following regulations, laid down by Circular No. 18, P. of 16th December, 1874, No. 20, P. of 26th January, 1875, No. 11, P. of 1st July, 1876, and Circular Letter, P. of 1st August, 1875, viz. :—

"Recommendations for Medals and Gratuities are to be made annually irrespective of the complements of Her Majesty's Ships, it being the intention of the Lords Commis-

sioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation."

(b). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; but the award of such character shall not of itself give any claim to medal or gratuity."

(c). This word is to be entered, annually, on the 31st of December, and on discharge from Ships, by the Commanding Officers of Her Majesty's Ships and Vessels, on the Parch-

ment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfilled the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disgraced for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned, by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(h). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(i). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(k). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(l). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or, Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (g), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after 10 years of continuous "exemplary" character after the year in which the medal was taken away.

A man may be deprived of his Medal without being awarded Good Conduct Badge; and it is left to the Commanding Officers to take away one badge from a man of his Medal.

If a Badge is taken away without loss of Medal, is not to be worn until the Badge is regained.

If the Badge is not regained within twelve months the date of deprivation, the Medal is absolutely forfeited, and the deprivation is to take place publicly and directed.

If two or more badges are taken away, and not or if a man loses a second badge; his Medal is forfeited, and the deprivation is to take place publicly and directed.

Notations on Parchment Certificates are to be in cases of suspension and restoration of Medal in consequence of the loss of a badge; and also in all cases of a forfeiture.

(n). Men who have for ten consecutive years the character of "Exemplary" under these conditions may be recommended for Medals at any period of time after the completion of such ten years.

(o). Men who have for fifteen consecutive years the character of "Exemplary" under the foregoing conditions, may be recommended, on their discharge, for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as such, and First Class Petty Officers, for not less than ten years.

First Class Petty Officers, having served as such for not less than ten years.

Second Class Petty Officers, having served as such for not less than seven years.

Leading Seamen, having served as such for not less than five years.

Able Seamen and others not excluded by the foregoing graph (g).

(p). In cases where the man recommended has served the full period to entitle him to the Medal, to his rating, he shall receive such gratuity, with reference to his combined service in all capacities, as may, in the opinion of the Admiralty, be awarded to him.

(q). Neither Medals nor Gratuities will be bestowed on Ordinary Seamen, Third Class Stewards' Assistants, Assistant Sick Berth Attendants, or Boys of every description.

(r). Lists of Men recommended for Medals are to be transmitted to the Admiralty, in duplicate, for the purpose, by the Commanding Officers at Home and Abroad, and Officers of Coast Guard, as soon as the men are recommended, and when their Lordships' approval is received, the Medals and Gratuities are to be presented to the Ship's Company, by the Captain of the Ship.

A complete history of Badges, showing award, deprivation, and restoration, must be kept in every office.

(s). It must be distinctly understood that the Medal is only to be granted after ten years of "Exemplary" character, and that the recipient continues to be entitled to the Medal, unless invalided; and that if a man who has been granted a Medal goes on serving to complete such time, he shall be entitled to the Medal on his discharge, unless he has completed ten years of man's service, in which case he may be entitled to the Medal on his discharge.

(t). If it is desired that men who have been recommended for Medals should also be given Gratuities, separate applications should be made for the latter on the men being recommended.

(u). In the case of a man who has been recommended for a Medal, the general character given to him on his discharge will be taken as his character throughout his Army Service, subject, however, to the rule that if a man has been recommended for a Medal on consecutive years of "Very Good" or "Exemplary" character after punishment.

(v). These Regulations are to come into force on the 1st day of July, 1876, and are to apply to the ratings herein mentioned, and to the crews of Majesty's Ships and Vessels, and to the crews on Shore; and to Royal Marines in Division.

Embarked.

Temporary Provision.

18. In the cases of men recommended for Medals before the 1st of July, 1876, now in the Service, they will be allowed to reckon as "Exemplary" for the purpose of Gratuity, provided their conduct has been such as to entitle them to be considered as "Exemplary" under the foregoing regulations.

Admiralty, 11th April, 1877.

FORFEITURE OF GOOD CONDUCT MEDALS.

With reference to Article 27, page 31, and Article 18, page 34, of the Revised Pension Regulations of 1st July, 1874; My Lords Commissioners of the Admiralty are pleased to direct that if a Petty Officer or Leading Seaman, R.N., or Non-Commissioned Officer, R.M., in receipt of Good Conduct Medal, should be disgraced, or reduced, in misconduct, he is to be absolutely deprived of his Medal; but if "very good" character is given for the year in which the deprivation takes place, the Medal may be earned after 10 years of continuous "exemplary" character after the year in which the Medal was taken away.

By Command of their Lordships,
ROBERT HALL.

To all Commanders-in-Chief, &c.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, chapter sixty-nine, it is enacted as follows, viz.:-

The services of a new Corps for acceptance, should be stated:—
(a) The place proposed for its head-quarters.
(b) The number of persons who are prepared to enrol themselves.
(c) The name and address of some person with whom communications on the subject may be made.
(d) The Brigade of which it will form a part.
(e) That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.
The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1859.
Officers of the Royal Naval Artillery Volunteers rank next, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.
All Officers of the Royal Naval Artillery Volunteers will be commissioned by the Admiralty.
The Commanding Officers of Brigades will recommend, at the discretion of the Admiralty, names of persons for the appointments and promotion of Officers in their grades.
In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, occupation or profession of the Candidate, as well as the Officer's Certificate, stating that the Candidate is of good health, and fit to perform the duties of an Officer.
If any person recommended for an appointment as an Officer leads a commission in the Royal Navy or other branch of the service, the nature of such commission should be stated in the recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were, on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Guns, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man, as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June, 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, of or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action

against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order, unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick or wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on each application, and shall have obtained Her Majesty's

permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared under the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, made at the request and at the expense of the person who obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission do not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of the present Regulations. They must be rather considered as favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1853.

REGULATIONS RESPECTING FOREIGN MEDALS.

Applications for permission to accept and wear Medals not being the decoration of any Foreign Order, are referred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, and be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, will submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon

obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

THE VICTORIA CROSS.

VICTORIA C.

Whereas, We, taking into Our Royal consideration that there can be no means of adequately rewarding the individual gallant services either of Officers of the lower grades of the Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, and cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, in the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have determined and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the said Cross, which shall from henceforth be inviolably observed by all:

Firstly, It is ordained, that the distinction should be made and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest upon the centre, and underneath which an escroll, bearing the inscription, "For Valour."

Secondly, It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red and blue for the Army.

Thirdly, It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry book kept in the office of Our Secretary of State for

Fourthly, It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, or that of he had not received such Cross, would have obtained to it, such further act shall be recorded by a clasp added to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar shall be added.

Fifthly, It is ordained, that the Cross shall only be conferred on those Officers or men who have served Us in the ranks of the enemy, and shall have then performed an exceptional act of valour, or devotion to their country.

Sixthly, It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor any other circumstance or condition whatsoever, shall be a bar to the merit of conspicuous bravery, shall be sufficient claim to the honour.

Seventhly, It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the Cross has been performed, under the following circumstances:—

First, the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General commanding the Forces.

Second, the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General

commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly, It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly, It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly, It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly, It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly, It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly, It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly, It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross

shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have

been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under fourteen shall cease and determine from the date of Warrant. It is hereby further declared that We, Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, shall at all times have power to restore such person may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth day of January, in the nineteenth year of Our said Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS A Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "A Warrant instituting a new Decoration, "to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the

Fifthly.—It is ordained, that the Medal shall be awarded to those who, after the date of this Instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made on recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or dishonourable conduct which in Our judgment disqualifies him from the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Medal shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited, and every person to whom the said Medal is given before receiving the same, enter into an engagement to return the same if his name shall be so erased as under this regulation. And WHEREAS it has been represented to Us that mariners and others perform many acts in preventing life from shipwreck and other perils of the sea, the performance of a character sufficiently daring and heroic to be worthy of a mark of Our favour, and are yet without any such distinguishing mark of Our Royal favour. As, We, taking into Our consideration that it is expedient to reward such mariners and others who perform actions to prevent loss of life from shipwreck

poth of the sea, are pleased in place of the Decoration issued by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion. 2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil

Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:

	Acre.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	500
Subalterns of 7 years' service and upwards, in the whole	200

2 K

In Hindustan a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz. :—

	£.
Field Officers of 25 years' service and upwards, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the

Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided there since the receipt of his Location Ticket, but that he has resided on the land described in it for each length of time and made substantial and permanent improvements thereof of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid if a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative deceased, who will then become entitled to the same land and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations, but can the amount of remission in purchase money to Officers be increased on account of any increased value which may at any time be set up upon the Crown land in the Colony.

UNDER ORDER IN COUNCIL, 4th AUGUST 1873.

Commandants of Royal Marines, on completing their period of command, to have the option of retiring on £600 a year, with honorary rank of Major-General, instead of taking their places on the list of Reserved Colonels, as prescribed by the Order in Council of 22nd February 1870.

Lieutenants who retire with less than 3 years' service will be granted temporary Half-pay only, as follows:—

After 2 years' service as Commissioned Officer, Half-pay for 3 years.

After 1 year's service as Commissioned Officer, Half-pay for 2 years.

Under 1 year's service as Commissioned Officer, Half-pay for 1 year.

In cases of misconduct, lower rates than those prescribed may be awarded according to the circumstances.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

HALF-PAY.

Admiralty, 14th June 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

(ENTRY OF ENGINEER STUDENTS IN HER MAJESTY'S DOCKYARDS.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations for the entry of Engineer Students in Her Majesty's Dockyards shall be substituted for those now in force.

2. Vacancies for Appointments as Engineer Students in the Dockyards are open to public competition. The Dockyard at which Engineer Students are entered each year will be fixed by their Lordships.

3. The Lists of Candidates for these appointments will be kept at the Admiralty in London. All applications for the forms to be filled up by persons who wish to compete must be addressed to the Secretary of the Admiralty before the 1st of March in each year. Such applications should state the place at which the Candidate desires to be examined.

4. Candidates must not be less than Fourteen, nor more than Sixteen Years of age on the 1st day of the Examination. Proof of Age will be required by the production of a Certificate of Birth, or by Declaration before a Magistrate. Evidence of respectability and good character must also be produced. All Candidates must be children of British subjects.

5. Candidates are to understand clearly that they will be first required to satisfy the Admiralty as regards their age, respectability, good character, and physical fitness, before they can be considered eligible for entry into the Dockyard, and if these conditions are satisfactory, they will then be examined by the Civil Service Commissioners in Educational subjects.

6. Candidates in or near London will be medically examined by the Medical Director-General of the Navy at the Admiralty. Those residing near one of Her Majesty's Dockyards, or one of the First Reserve, will be examined by the Medical Officers attached thereto. Special arrangements will be made, if necessary, on application, with reference to Candidates from more distant localities. All Candidates must produce Certificates to the satisfaction of the examining Medical Officers that they have been revaccinated, or they will be revaccinated before they can be considered eligible for entry into the Dockyard.

7. The examination will commence on the first Tuesday in May in each year, and will be held by the Civil Service Commissioners in London, Liverpool, Portsmouth, Devonport, Bristol, Leeds, Newcastle, Tyne, Edinburgh, Glasgow, Aberdeen, Dublin, Belfast, and Cork.

8. The following will be the subjects of Examination, and the maximum number of marks for each subject:

*Writing from Dictation	100
*Composition	100
Grammar	120

Geometry (the Subjects of the First six books of Euclid's Elements)	200
Total	1,200

Candidates will also be tested as to their ability to read aloud with clearness, distinctness, and accuracy, and without hesitation. Stammering or any imperfection of utterance will be regarded as a disqualification.

9. Candidates who fail to pass in the first three subjects (those marked with an asterisk), or in reading aloud, will be disqualified, and their other papers will not be examined. The Candidates who display a complete knowledge of all those subjects, and who obtain not less than 750 marks in the aggregate, will be classed in the general list in order of merit, according to the number of marks gained, and will be eligible for appointment as Engineer Students in one of the Dockyards, according to the number of appointments which may be decided to make that year.

10. The successful Candidates will be entered as Engineer students before the 1st July in each year, and must join with their Parents or Guardians in a Bond for £300, to enter, if required, into Her Majesty's Naval Service as Assistant Engineers, if at the expiration of their training they should obtain certificates of good conduct and efficiency for entry in that capacity.

11. The Parents or Guardians of all Engineer Students entered in future will be required to pay the sum of £25 a year for each Student during the first three years of his training.

12. The first payment of £25 is to be made before the Student is entered in the Yard, and the second and third payments of £25 each are to be made on or before the 30th day of June in each of the two succeeding years. The payments are to be made to the Cashier of the Yard to which the Student is appointed. In case of failure of payment the Student will be discharged.

13. Board and Lodging will be provided for Engineer Students, and they will be required to reside in one of the Dockyards.

14. The weekly pay of Engineer Students during their training will be as follows, provided they are well reported on by the Officers:—

Second "	Two Shillings	
Third "	Three "	
Fourth "	Five "	
Fifth "	Eight "	
Sixth "	Ten "	

15. Engineer Students will be under the supervision of the Captain of the Steam Reserve and a Staff of competent Officers, and subject to such rules and regulations as their Lordships may deem necessary.

16. Special Regulations will be made for Engineer Students in the Dockyards, so as to make a distinction between them and the Workmen.

17. Engineer Students will remain for Six Years at one of the Dockyards for practical training in the Workshops, and to receive instruction in Iron Shipbuilding. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Dockyard Schools for such periods, and to pursue such studies as may from time to time be determined on; they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out afloat, the practical use of the various instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

18. Engineer Students will be examined once a year under the direction of the President of the Royal Naval College. They will be examined by the Engineer Officers of the Admiralty at the end of the fourth, fifth, and sixth years of their service as to their practical acquirements and knowledge of steam machinery. Two prizes will be given annually at each Dockyard to the Engineer Students most highly reported on as regards their skill as workmen. Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects, will be shown distinct from those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final examination.

19. The Examination of the Sixth-Year Students is to be held in time to allow the result to be known by the

1st July in each year, and it will include tests of their skill as workmen. Those found qualified will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Assistant Engineers on probation, on the 1st October succeeding the Examination, where they will pass through a course of higher instruction during one term.

20. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during such year of probation will be the same as during the sixth year.

21. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Service by the Medical Officers, and have learned to swim.

22. Acting Assistant Engineers will be provided with quarters while at Greenwich. During their first Term they will be paid 6s. a day, and 1s. 6d. a day towards the mess expenses. Those selected for further study will receive their full pay and 1s. 6d. a day towards the mess.

23. The term for study at Greenwich will be from the 1st October to the 30th June following. All will be examined under the direction of the President of the Royal Naval College on the completion of their term at Greenwich, and will receive Certificates according to their merit, in three classes. Those who obtain First Class Certificate will receive Commissions dated the same day as their Acting Appointments. Those who obtain Second Class Certificates will receive Commissions dated six months after the date of their Acting Appointments, and those who obtain Third Class Certificates will receive Commissions dated the day after their discharge from the Royal Naval College. The additional time given for First Class Certificates and Second Class Certificates will reckon in all respects as time served as Assistant Engineer.

24. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their term at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more terms at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

25. Those passing the Second and Third Terms at Greenwich will be attached during the vacations between the 30th June and 1st October, to the Dockyards or Steam Reserves, where they will attend trials of new and repaired Engines, and obtain experience respecting the duties they will have to perform at Sea.

26. No Assistant Engineer who has passed Three Terms at Greenwich will be allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich, unless he shall pay the sum of 500*l.* to defray the charges of his education. Such resignation to be subject in each case to their Lordships' approval.

27. N.B. The above Regulations will be generally followed, but my Lords will modify them from time to time as they may consider desirable.

28. Art. _____ page _____ of the Dockyard Instructions are cancelled, and the enclosed slip is to be substituted for them.

NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

FLEET CIRCULAR No. 5.—C.

Admiralty, 27th March, 1877.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 40 C, of 7th August, 1873, and No. 18 C, of 3rd October, 1876, are hereby superseded, and their provisions, so far as they are retained, are embodied in this circular.

2. Lieutenants, 'under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Acting Officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigation duties should be senior to the Senior Officer appointed for Executive Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

10. The pay of Executive Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and, when appointed to Flag Ships, extra pay of from

2s. 6d. to 5s. a-day.

At the discretion of their Lordships.

Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of

3s. a-day.

Under five years' seniority, extra pay of

2s. 6d. a-day.

If passed for First Class Ships, without regard to seniority, extra pay of

4s. a-day.

Sub-Lieutenants.—The full pay of their rank and extra pay of

2s. 6d. a-day.

11. All Officers now on the lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

12. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieu-

tenants' list; but if they elect the Executive list they will still be required to perform the same duties as other Lieutenants who are appointed for Navigating duties, if called on to do so, until promoted to the rank of Captain.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, within the first six months of their service, be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

14. Acting Navigating Sub-Lieutenants will, on completing their examinations, including Pilotage, be allowed the option of being placed on the Sub-Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the Executive list, they will be placed upon it with the seniority which they would have obtained had they remained on the Navigating list; should their seniority happen to be the same as that of any Sub-Lieutenant who has always been on the Executive list, they will be placed on the list below such Sub-Lieutenant.

15. Acting Navigating Sub-Lieutenants, when placed on the Sub-Lieutenants' list, will be appointed to the "Excellent" for a course of Gunnery instruction, and will be required to perform Navigating duties, if called on to do so, until promoted to the rank of Captain.

16. Officers transferred from the Navigating to the Executive list will be eligible for promotion to the highest rank in the Service; and they will continue the same rules as to promotion, pay, retirement, &c., as apply to officers who have always been on the Executive list.

17. Executive officers, and officers appointed from the Navigating to the Executive list, who perform Navigating duties, will be shown, in the "Navy List" with the letter N against their names.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

ROYAL NAVAL COLLEGE, GREENWICH.

EXTRACTS FROM CIRCULAR No. 5—C.

Admiralty 30th January, 1873.

(Modified as regards Engineer Officers by the Regulations of June, 1877.)

Her Majesty by Her Order in Council, dated 16th January, 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the said College on the 1st of February next, at which date the instruction of the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the higher courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special provisions have been made to prevent any interruption or disarrangement in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

1. Captains and Commanders.
2. Lieutenants.
3. Navigating Officers.
4. Naval Instructors.
5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
6. Officers Royal Marine Artillery.
- Ditto Royal Marine Light Infantry.
7. Officers of the Engineer Branch, viz.:—
Chief Engineers.
Engineers.
Assistant Engineers.
Acting Assistant Engineers.
8. A limited number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.

A course of instruction at the College will also be open to a limited number of—

9. Private Students of Naval Architecture or Marine Engineering.
10. Officers of the Mercantile Marine.

It is not intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman, in all branches of theoretical and scientific study bearing upon their profession; but my Lords will

continue the instruction given in the "Excellent" Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the Executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as *Students* will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of *lectures*, the benefit of which is desired to extend as far as possible.

The following are the proposed courses of study:—

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.

2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.

3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—

a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.

b. Chemistry.

c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

A Professor of Mathematics.

A Professor of Physical Science.

A Professor of Chemistry.

A Professor of Applied Mechanics.

A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a.) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b.) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich *before* commencing their practical course in the "Excellent" instead of, as at present, a term of seven months *after* they have completed it.

Officers, on applying to qualify as Gunners Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(c.) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(d.) All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of prize Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to arise from the connection which will be established between the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so much interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical, mechanical science specially devoted to those branches of scientific investigation which have most interest to the Navy.

REGULATIONS FOR ADMISSION TO THE ROYAL NAVAL COLLEGE, GREENWICH.

pointed at once to a sea-going ship to complete their year's sea time. They will then proceed to Greenwich for one term, which will be devoted to theoretical instruction before commencing their practical course in gunnery on board the "Excellent." They will receive full pay and 1s. 6d. a day towards the mess during their course of study. They will be borne on the books of the "Excellent."

5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.

1. The arrangements already in force for the examination of Midshipmen for the rank of Lieutenant will remain unaltered during the present year, with the following exceptions.

They will receive 1s. 6d. a day towards the mess during the period of their study at the College. During this period they may present themselves for examination on one of the specified days, if they consider themselves qualified, but failing to pass, they will not be allowed a second examination until the expiration of their 6 months' Term of study.

10. An Officer failing to obtain a Certificate in Seamanship at the appointed examination will be re-examined at the end of 3 months; if he should then fail, he will be given another opportunity at the expiration of a further period of 3 months.

A Lieutenant's Commission will be given in June and December of each year to the Sub-Lieutenant who has passed the best examination in Navigation at the College during the preceding 6 months, provided he has obtained First-Class Certificates in Seamanship and Gunnery, and has reached a certain standard in the College Examination.

A Prize of Books or Instruments will be bestowed on Sub-Lieutenants who obtain First-Class Certificates in all subjects.

The Class of Certificate obtained will be noted against the Sub-Lieutenants' names in the Navy List.

19. The foregoing regulations will apply to Acting Navigating Lieutenants and Acting Navigating Sub-Lieutenants in their respective ranks, with the following exceptions:—

20. They will not be required to pass an examination in Gunnery, and will join the College at Greenwich immediately after they have passed in Seamanship, or on their subsequent arrival in England.

21. During the period of study at the College they will be borne on the books of the Flag Ship at Portsmouth.

22. The examination of the Navigating Officers in Pilotage will take place after the examination in Navigation.

23. The present rewards to those who pass the highest examination for the rank of Navigating Lieutenant will be continued, viz.:—

A Commission as Navigating Lieutenant will be given to the Navigating Sub-Lieutenant who passes the best examination in Seamanship, Navigation, and Pilotage, of every twenty-five candidates examined, provided he obtain First-Class Certificates in all subjects, and is recommended by the Hydrographer.

A Prize of Books or Instruments will be bestowed on those Navigating Sub-Lieutenants who obtain First-Class Certificates in Seamanship, Navigation, and Pilotage.

The class of Certificate obtained will be noted against the Navigating Sub-Lieutenants' names in the Navy List.

6. Officers of Royal Marine Artillery and Light Infantry.

1. Two Officers of the Royal Marine Artillery, and six Officers of the Royal Marine Light Infantry below the regimental rank of Lieutenant-Colonel, who have been embarked for not less than two years, may be admitted annually as Students. They will be examined on entry, and may remain two Terms, if the examination at the end of their first term indicates satisfactory progress.

2. They will receive their full pay and 1s. 6d. a day towards the mess.

7. Officers of the Engineer Branch.

(As modified by subsequent Regulations.)

1. Three Chief Engineers and fourteen Engineers (or Assistant-Engineers who have not had the advantage of study at Greenwich or South Kensington), if the services of so many can be spared, may be admitted to Greenwich annually, as Students.

2. They will be examined on entry in Elementary Mathematics.

3. They will remain one Term at Greenwich, and will be examined before leaving in the subjects they have studied.

4. A limited number of these Officers may be permitted to remain a second Term for study, if they be desirous of doing so, on the recommendation of the Examiners to the Admiralty, with the concurrence of the President.

5. During the period of study at Greenwich, Chief Engineers will be allowed the amount of their Sea Pay; Engineers and Assistant Engineers will be borne on the books of one of Her Majesty's ships, and all will receive 1s. 6d. a day towards the mess.

(For the rules respecting Engineer Students and Acting Assistant-Engineers, see the Regulations for the entry of Engineer Students.)

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan. 1873, p. 3, cl. xi.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on the part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent," and hereby direct that for the future one month's seniority shall be forfeited for such rejection.

By command of their Lordships,
ROBERT HALL.

To all Commanders-in-Chief, &c.

* On the first perusal of this work, the following paragraphs are omitted, viz.: 54, 59, 78, 79, 94, 95, 135, 136, 148 to 156, 160 to 163, 169, 170, 175, 189, 203, to 213, 212 to 302, 310 to end.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding sea ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within what time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in the scheme.

2. The new scales of full-pay and allowances to apply to all Officers, unless they request, in writing, within what time as may be prescribed, to be paid according to the old Regulations, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case it must be clearly understood that they will have none of the advantages of the new Regulations.

By Circulars 62 of 1873, 21 of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, be compulso-ri-ly retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, if retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than 8 years' standing, to be allowed the option of accepting, as to promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March 1866, but with the following modifications in the latter case:—

(a.) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased.

(b.) When promoted to the Active Flag List to be subject to the new Regulations in all respects, except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March 1866.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 200, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February 1872, 5th August 1875, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale

provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1861, and 24th March 1862. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served 5 years, but they will retain their present privileges as to rising in rank.

[See Order in Council of 21st July 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 26th June 1867 on some of the reserved Captains (G. List) to be extended to all such Captains. These Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 21st April 1847, 25th June 1851, and 26th June 1867, to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers, with their consent, and at Our discretion, be retired above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active list, at their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
The 4th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz. :—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows :—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted :—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1873, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows :—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause :—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as may be determined), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Officers, who, as Lieutenants qualified in Harbour Ships, or as Gunnery Lieutenants, and also in some other cases, to obtain the amount of Service required by them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted :—

"(a.) Service of an Officer when borne on the list of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions :—

"1. Three years served in any Harbour Ship, or in any First Reserve (Coast Guard) Ship, or in any other such Ship, as Lieutenant or Commander, or in any such ranks combined, shall count as Sea Service, if such Service be in a Ship of War at sea."

"2. Three years served either before or after the 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship, or First Reserve (Coast Guard) Ship, or as Lieutenant on such Ship, shall count as Sea Service, if such Service be in a Ship of War at sea."

"This shall not apply to any Officer who retired before the 1st August 1873."

"3. Service subsequent to 1st August 1873, in any Harbour Ship, and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships at Sea, or their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 18 August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1872.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, the words following, viz. :—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy : And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established : And whereas we are of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders of the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers of vacancies caused by retirement, according to the following scale :—

"(a.) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(b.) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(c.) One Lieutenant in every vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may raise the List of Lieutenants to be temporarily in excess of the numbers authorised by Your Majesty's aforesaid Orders in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows :—After three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

"10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

"11. Service for retired pay to be calculated in accord-

ance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 50.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed ; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1875.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of August, one thousand eight hundred and seventy-five, in the words following, viz. :—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy : And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion : We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks ; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty :—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded :—

"Adjusting the Flag Ranks thus :—	
3 Admirals of the Fleet.	
10 Admirals.	
20 Vice-Admirals.	} Total 68.
35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list ; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

ing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

Note.—Since this Order in Council the title of Staff Surgeon has been altered to Fleet Surgeon by Order in Council of 4th February 1875: that of Surgeon to Staff Surgeon 2nd Class by Order in Council of 24th March 1875, and Staff Surgeon by Order in Council of 4th February 1875: that of Assistant Surgeon to Surgeon by Order in Council of 24th March 1875.

ORDER IN COUNCIL, No. 8.—C.W.

At the Court at Osborne House, Isle of Wight.

The 21st day of July, 1870.

Present:

The QUEEN'S most Excellent Majesty in Council. Whereas there was this day read at the Board Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 11th of July 1870, the words following, viz.:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy, who have been placed on the Retired List of their Rank, and Your Majesty's Orders in Council of 22nd February 1870, and 4th August 1873, and who, not having the need of sea service, are not entitled to a step in rank on promotion; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1875, Captains are not to take one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire, and who have served sufficiently long at sea to qualify for promotion to the rank of Captain, may, in consideration, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without increase of Retired Pay or Widow's Pension."

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 12th February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a portion of such service to count as full service for Pay, Half-pay, and Retirement, though not reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to 6 months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue to receive his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Pro-

motion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,

The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1872, in the words following, viz.:

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, of a certain duration, should not be unrecognized: We therefore humbly submit that Clause 6, paragraph 3, of the said Order in Council be cancelled, and that we be authorised to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

After 10 Years' Service	£ 50 per annum.
" 15 "	£ 100
" 20 "	The amount earned by service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF PAYMASTERS AND ASSISTANT PAYMASTERS.

ORDER IN COUNCIL, No. 5.—C.

At the Court at Windsor,

The 3rd day of March 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March 1873, in the words following, viz.:

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty—

- "1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February 1870 be cancelled.
- "2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.
- "3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.
- "4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

- "(a.) If under three years' standing, with the pay of two shillings and sixpence per diem.
- "(b.) If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, these being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, we be empowered to promote to the rank of Paymaster, in the cases caused by death or compulsory retirement exceeding ten in any one year; but that in the case of voluntary retirement no promotion be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereunto accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st August 1872, in the words following, viz.:

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

- "1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.
- "2. Retired Pay to be granted as follows: after three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.
- "3. Officers who, in our opinion, are not deserving of receiving Retired Pay on the above scale, to be granted such lower rate of Pay as we may think fit to award them.
- "4. Service for Retired Pay to be calculated in accord-

ance with the Provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Navigating Officers, &c.; time during which a Navigating Sub-Lieutenant may be on Half-pay, after he has served three years in that rank, to reckon in the proportion fixed by the said Order in Council.

"5. Navigating Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap 50.

"6. The existing rules as to Half-pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

"7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we further be allowed to apply the same to Navigating Sub-Lieutenant George Horwood, who has served for 41 years and 9 months in Your Majesty's Navy, and who was discharged from Your Majesty's Coastguard Service in July 1871, on attaining the age of 60, from the date of his said discharge.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereunto accordingly.

the QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1872, in the words following, viz.:—

"Whereas we have had under our consideration the position of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, in reference to the provisions of Your Majesty's Order in Council of 22nd February 1870, and especially to the provisions that Service shall mean Service on Full-pay; and whereas Inspectors-General are not called upon to serve except in charge of Naval Hospitals at home; and whereas it is provided by the Order in Council of the 7th August 1869 that no Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall

have served five years as a Deputy Inspector-General, during three years of which period he shall have been in charge of a Foreign Hospital, or of a Fleet or Squadron; and whereas a Deputy Inspector-General cannot serve otherwise than in the capacities mentioned, except in charge of a Naval Hospital at home; and whereas the service of any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad, though not Service on Full-pay, is upon salary equal thereto, we are of opinion that Service by any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad should be held to be Service for the purposes of the said Order in Council of the 22nd February 1870; and we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to give directions accordingly."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Admiralty, 6th March 1875.

MEDICAL OFFICERS OF THE NAVY.

My Lords Commissioners of the Admiralty having had under their consideration the position of the Medical Officers of the Navy, are pleased, under the authority of Her Majesty's Order in Council of 4th February 1875, to establish the following regulations:—

1. Surgeons on entry to have the same relative rank as Paymasters, Chief Engineers, and Naval Constructors, namely, to rank with Lieutenants under eight years' seniority, and to wear uniform corresponding to such relative rank.
2. Staff Surgeons to be denominated "Fleet Surgeons," and Staff Surgeons Second Class simply "Staff Surgeons;" the distinction in rank between these two grades to be denoted by a small difference in the uniform of the Staff Surgeon, who, instead of three stripes of gold lace round the sleeve of the coat, which the Fleet Surgeon will wear, will wear two stripes of gold lace with a stripe of narrow gold braid between.
3. Inspectors-General to be compulsorily retired at the age of 60; to be allowed 2l. per day, provided they shall have completed the period of service now required to entitle them to the *maximum* Half-pay of their rank; should they not have completed such period of service, they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb. 1870.
4. Deputy Inspectors-General to be compulsorily retired at 60; if in the first six of their rank, to be allowed

85s., others 30s. per diem, provided that they shall have completed the period of service now required to entitle them to the *maximum* Half-pay of their rank; should they not have completed such period of service they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb. 1870.

5. Fleet Surgeons and Staff Surgeons to be placed on the same scale of retirement as Chaplains and Naval Constructors, Secretaries, and Paymasters; that is, the *maximum* to be 450l. per year instead of 400l.
6. Fleet Surgeons to have the option of retiring after 20 years' Full-pay service in all ranks at 15s. per day, and after 25 years' Full-pay service at 21s., subject in each case to their Lordships' approval, but of those now on the list not more than 10 to retire under this clause in each year (the Officers having the option according to seniority), unless their Lordships should approve (with the consent of the Treasury) of a larger number so retiring. Applications from Officers wishing to retire under this clause should be lodged at the Admiralty before the 30th November in each year, in order that they may be dealt with, according to seniority, before the end of the year.
7. All Medical Officers hereafter entered to have the option of so retiring, subject to the approval of their Lordships in each case.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

Retiring Pensions shall be awarded to Chief Gunners, Chief Boat-swains, Chief Carpenters, and Warrant Officers under the following regulations, established by Her Majesty's Orders in Council of 22nd February 1870, and 12th August 1875:—

They shall be pensioned at 55 years of age, and at any age, if found unfit for service at sea; and they may, by the permission of the Admiralty, be pensioned, at their own request, at 50 years of age.
The following shall be the scale of Pensions:—

	For each Year's Service, above the Rank of Petty Officer.	Addition for each Year's Service as Seaman or Petty Officer, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.

Over 15 years	4 0	1 10	120	95

Chief and other Warrant Officers holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as Warrant Officer's time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded them under the foregoing scale, provided they have already received compensation for the same.

For ruptures and minor injuries received on duty, gratuities shall be granted under Article 16 of the Pension Regulations, at the discretion of the Admiralty, instead of the above increase.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may

be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, and under the Provisions of Order in Council of 5th February 1850, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time.

GOOD SERVICE PENSIONS.

EXTRACT FROM PENSION REGULATIONS.

Good Service Pensions are awarded to Flag Officers and Captains of the Royal Navy under the provisions of Orders in Council of 12th July 1837, 27th April 1842, 2nd February 1870, 9th August 1872, and 5th May 1873; to Medical Officers under the provisions of Order in Council of 13th May 1850; to General Officers of Marines under the provisions of Orders in Council of 12th July 1837, 20th April 1842, 22nd February and 31st March 1870; and to Colonels and Lieutenant-Colonels of Royal Marines under the provisions of Order in Council of 27th April 1842.

Under the provisions of these Orders in Council the following Pensions have been established:—

Flag Officers, 10 Pensions of 300 <i>l.</i> a year each (the intention being that two may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion).			
Captains, R.N.	12	Pensions of 150 <i>l.</i> a year each.	
Medical Officers, R.N.	3	" 100 <i>l.</i> "	
General Officers, R.M.	6	" 200 <i>l.</i> "	
Colonels and Lieutenant-Colonels, R.M.	2	" 150 <i>l.</i> "	

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

Only Flag Officers and Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Medical Officers and to General Officers of Royal Marines, whether on the *Active*, *Reserved*, or *Retired Lists*.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed

the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from the rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l.* a year; but, should the two together exceed that sum, they will be retired on 600*l.*, relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the *Active List*.

Should any Flag Officers holding a Good Service Pension be in receipt of, or be appointed to, Full Pay (not including service on committees, or any temporary employment of a like nature) or Civil Salary, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Pay, or Salary, or Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the List be full, but in such case the next vacancy shall not be filled up.

A Captain, however, shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

Captains, Royal Navy, and Colonels, Royal Marines, shall not be allowed to retain their Good Service Pensions when promoted on the *Active List*; and a Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

be pleased to sanction, with reference to the aforesaid Officers, the following modifications and temporary extension of the aforesaid Order in Council:—

"1. That all Officers who entered the Royal Marines before 1st April 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to reckon their service for retirement from the age of 18; those who entered at or after 18 years of age, to reckon their service from the date of their first Commission, but the maximum rates of Retired Pay, fixed by clause 14 of the aforesaid Order in Council, shall, under no circumstances, be exceeded.

The 23rd day of October 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1870, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are, in some cases after good service for many years, rendered destitute by being thus deprived of all professional re-

sources: We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 90, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.:-

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not been his Flag will be considered eligible for the appointment of Vice- and Rear-Admirals of the United Kingdom, or promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	27
Rear-Admirals	51
Total	99

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Reserved List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of Retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*th* 6*d.* Half-pay List as may be willing to accept it, with the pay of 17*th* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*th* 6*d.* per day to be given to applicants, by Seniority, from the 12*th* 6*d.* and 10*th* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 11*th* List to be filled up, in turn of Seniority, by Officers then accepting the 18*th* per diem; but no new admissions to the 11*th* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 17*th* 5*s.* per diem, and the remaining 75, 17*th* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 50, and the reductions shall be effected as follows, viz.:-

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has not served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st

October 1875, or subsequently placed thereon in the case the limit of age is sixty.

ii. If her husband, being capable of service, had on his own solicitation, been excused from service, or called upon, provided he was officially warned, and the Widow would thereby forfeit the Pension, if her husband had been placed on permanent Half-Pay, or the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraud, misapplication of the public money, discreditable conduct in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy, or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months before the death of her husband, or if her husband, being an Officer by whose right she claims the Pension, was said Officer was killed or drowned in an immediate duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension from the Admiralty; and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not contracted by any misconduct, or by any circumstance in which he had control.

vii. If she shall receive any other Pension, Pay, or Allowance from the Government on account of her husband's services in a Naval or Military capacity, or if she is a Widow in receipt of Pensions from the Civil List, or not deprived of their Naval Pensions on account of marriage, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank of

held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commission Officers (including service in junior ranks as Commission Officers), except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Retired Pay.

If, however, he had completed Ten Years' Service on Full-Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations,—notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired

Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commission Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore; and persons dying of their wounds within six months shall be considered as persons slain, viz.:

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowance may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commission Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:

- 1st. Children of Officers killed or drowned on duty.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-Pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital are not eligible for Compassionate Allowances, but, on their ceasing to be chargeable to

Greenwich Funds, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

28. *Mothers*.—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured,

and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters*.—Sisters of Officers are not eligible for Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted at the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the

Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms

of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, with and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to Our Royal Navy in the manner of prize money, shall be made as follows: Videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: That is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the

station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commanders-in-chief) upon a special service, accompanied with orders to report to such station as soon as the service has been performed, shall have no share in prizes taken by the ship or vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer or by ships or vessels under his immediate command after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prize money out of the limits of that station by any ship or vessel under the command of a flag officer of any other rank, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer was expressly authorised by our said commissioners to take the command of that station in which the prize or prize money are taken, and shall actually have taken up the command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the third part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall be more commissions than one shall be entitled to the share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commander of a ship or vessel shall be deemed to be the commander of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be on board within the limits of the station of such flag officer, or in the event of his being directed to join a flag officer, any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of that station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other advantage aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship, having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion of his after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of command, the one-tenth shall be so divided into parts for a rated apportionment as to provide for each captain commanding six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and a lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second

class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloop. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:

Her Majesty has been pleased, by Her Order in Council of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1850, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the

If in any such proceeding any proceeds have been realized and are remaining in Court, the Court shall order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and mark therein any charges that may have been paid to the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that several shares of any money in the several cases of the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner as subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make

such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her Majesty's pleasure, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.
2. The Order in council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.
3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

1. All money distributable among the officers and crew of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of the official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

Gazette Notice.

1. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the sanction of the Admiralty.

Prize Remittance.

1. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

- (3.) Where the payee resides at Sierra Leone, the Commissariat officer there.
- (4.) Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence;

and the ministers, churchwardens, elders, inspectors, sub-inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval officer, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom or at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions of the Admiralty directed on the authority for payment addressed to the certifying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the certifying officer is the person named as payee in the certificate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which

case payment on that occasion shall be made to the person producing—

- (1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—
- (2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—
- (3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall enquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. 25. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found amenable by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. 31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict. cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and

Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

CIRCULAR No. 71.—LMM.

Admiralty 7th November, 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURES OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by the Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, the Lords are pleased to direct that Circular No. 71, of 10 January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulation shall be substituted for those contained therein.

In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission, by or on behalf of any of Her Majesty's Ships, in any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Commanding Officer of such Ship shall be under no self to pay the legal expenses attending the prosecution, or to negotiate a bill for the amount on the Ship's Account; he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur."

"2. In case any proceedings shall have been instituted by or on behalf of any of Her Majesty's Ships in any of the matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imputed Advance on such Commanding Officer until the Treasury (or they so decide) shall repay the same under the 12th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; and should the delay necessary to obtain such approval be any case inconvenient, the advance may be made by the sole authority of the Commanding Officer of the Ship, the case being afterwards reported to the Commander-in-Chief or Senior Officer."

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station, or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book an Engagement in Writing in Form or to the Effect following:

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the

Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June 1819.
SIR,—My Lords Commissioners of the Admiralty, having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance in the Order in Council is to be charged, over and above the freight which might be already due on the same deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croft.

BY THE KING. A PROCLAMATION.

WILLIAM R.

ENTRY AND DISCHARGES OF PETTY OFFICERS, 445

And it is further established and declared, That such Freightage shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full force.

GOD SAVE THE KING.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's* this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN, AND MARINES.

(DIRECTIONS FOR THE EXAMINATION OF
OFFICERS, MEN, AND BOYS FOR ADMISSION
INTO THE ROYAL NAVY AND MARINES.)

Art. 410, p. 132, of Addenda to Queen's Regulations.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should any person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the

existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex

Admiralty, 4th August 1876.

(EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.)

My Lords Commissioners of the Admiralty are pleased to issue the following Regulations as to the entry of Second Class Boys for Her Majesty's Navy:—

1. Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz.—

The Medical Examination is, in all cases, to be conducted as laid down in Article 10 of the Addenda.

6. If the Examining Officers are of opinion that a Boy is in every respect fit for the Service, the Commanding Officer is to engage him to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 15; he is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypos.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmarys, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

5. The examination will commence on the first Tuesday in June of each year, and will be held by the Civil Service Commissioners in London as well as at the several Dockyards.

9. Apprentices will be bound by Indenture to serve for seven years, and no candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the Indenture as to the support, &c., of the Apprentice during his apprenticeship. Board wages will only be allowed in the case of boys whose fathers have died or been killed in the service, and when it can be proved the family are in distressed circumstances, or in other very special cases.

10. On the expiration of their period of service Apprentices will receive a certificate of their character and conduct, the progress they have made in their trade and in the knowledge of the subjects prescribed for Dockyard Apprentices.

11. The Pay of Apprentices serving in the Dockyards is as follows:—

They will remain there three terms, passing the vacation each year between the 30th June and the 1st October at one of the Dockyards.

13. Those selected for study at Greenwich must join with their parents or guardians in a bond for the sum of £250 to serve under the Admiralty for seven years if required after the completion of their Apprenticeship.

When at their own Dockyards during the vacation, they will receive their pay as above, but not the messing allowance. When at other Dockyards, the messing allowance will be granted.

15. If found well qualified at the completion of their course at Greenwich, they may be sent to sea in one of Her Majesty's Ships for one year if the Lords Commissioners of the Admiralty think it desirable, and will then be appointed Assistants to the Foremen of the Dockyards, or to any other post for which they may be considered fit. In cases where their Lordships do not consider it desirable to send them to sea, they will be at once appointed to situations as above at the several Dockyards.

16. N.B. The above Regulations will be generally followed, but their Lordships reserve to themselves the right to modify them from time to time as they may consider desirable.

17. The Regulations contained in Art. 91, page 234, of the Appendix to the Addenda to the Queen's Regulations and Admiralty Instructions, and the Printed Regulations on this subject issued to the Dockyards, dated the 1st August, 1857, are hereby cancelled.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—LMM.

Admiralty, 10th February 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as passengers on board Her Majesty's Ships the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,
the 12th day of December 1873.

Present:

the QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December 1873, in the following words, viz.:

Whereas it is provided by Section 88 of an Act passed the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of Navy,' as follows:—

'Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct.'

Whereas Your Majesty was graciously pleased by an Order in Council of the 22nd day of February 1870, to approve the establishment of certain Regulations for maintenance of order and discipline on board Your Majesty's ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military Services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to cancel the said Regulations, and in their place to sanction the following:—

'1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed in a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

'2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of

the ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

'3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

'4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1800, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

'5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations.'

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

of December, and on discharge from Ships, by the commanding Officers of Her Majesty's Ships and Vessels, on the Parchment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disgraced for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(h). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(i). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(k). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(l). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (g), after a medal has been awarded, entails forfeiture of the medal; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after ten years of continuous "exemplary" character after the year in which the medal was taken away.

(m). A man may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within twelve months from the date of deprivation, the Medal is absolutely forfeited; and the deprivation is to take place publicly as above directed.

If two or more badges are taken away, and not only one; or, if a man loses a second badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly as above directed.

Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a badge; and also in all cases of absolute forfeiture.

(n). Men who have for ten consecutive years been given the character of "Exemplary" under these conditions, may be recommended for Medals at any period of their service after the completion of such ten years.

(o). Men who have for fifteen consecutive years been given the character of "Exemplary" under the foregoing conditions, may be recommended, *on their discharge to Pension, for Gratuities in addition to their Medals.*

The Scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief 2
and First Class Petty Officers, for not less
than ten years

First Class Petty Officers, having served as
such for not less than ten years

Second Class Petty Officers, having served as
such for not less than seven years

Leading Seamen, having served as such for
not less than five years

Able Seamen and others not excluded by para-
graph (g)

(p). In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such one of the lower rates, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

(q). Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writers, Third Class Signalmen, Second and Third Class Domestics, Ship's Stewards' Assistants, Assistant Sick Berth Attendants, and boys of every description.

(r). Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Divisional Officers of Coast Guard, as soon as the men become eligible for them, and when their Lordships' approval has been received, the Medals and Gratuities are to be presented before the Ship's Company, by the Captain of the Ship.

A complete history of badges, showing the dates of award, deprivation, and restoration, must be given on the copies of Certificate sent in to office.

(s). It must be distinctly understood that Medals will only be granted after ten years of "Exemplary" character on the condition that the recipients continue to serve for Long Service Pension, unless invalided; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

(t). If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

(u). In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the rules as to ten consecutive years of "Very Good" or "Exemplary" character after punishment.

(v). These Regulations are to come into operation on the 1st day of July 1870, and are to apply to all persons of the ratings herein mentioned borne on the Books of Her Majesty's Ships and Vessels; and in the Coast Guard afloat and on shore; and to Royal Marines at Divisions as well as Embarked.

Temporary Provision.

18. In the cases of men now in the Service, time served before the 1st of July 1870, with "Very Good" character,

shall be allowed to reckon as "Exemplary" for Medal of Gratuity, provided their conduct has been such as to render them deserving of being considered "Exemplary" under the foregoing regulations.

Admiralty, 11th April 1877.

FORFEITURE OF GOOD CONDUCT MEDALS.

With reference to Article 27, page 31, and Article 18, page 54, of the Revised Pension Regulations of 1st July 1876: My Lords Commissioners of the Admiralty are asked to direct that if a Petty Officer or Leading Seaman, R.N., or Non-commissioned Officer, R.M., in receipt of a Good Conduct Medal, should be disgraced, or punished, for misconduct, he is to be absolutely deprived of his Medal; but if "very good" character is given for a year in which the deprivation takes place, the Medal is to be restored after 10 years of continuous "exemplary" character after the year in which the Medal was taken away.

By Command of their Lordships,
ROBERT HALL.

To all Commanders-in-Chief, &c.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court of Windsor,

the 1st day of March 1864.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:-

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, herein-after called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine) to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy, shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall have effect from the date hereof.

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide between the gold braid waved lines round the sleeves of the coat. Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat, above the cuff, without any gold braid.

The buttons to be in the Royal Navy pattern, with the letters "R.N.R." in Old English characters surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting

of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold. Instead of the bullion loop on the cocked hats, the loops to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz. :—

Lieutenants 10s. a day.
Sub-Lieutenants 7s. a day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

"We also beg to recommend that Your Majesty will be pleased to sanction the following as the badge to be worn on the cap of the Officers of the Royal Naval Reserve, instead of that prescribed by Your Majesty's Order in Council of the 1st May 1864, above referred to, we have allowed such badge to be worn, provisionally, pending Your Majesty's pleasure.

"Badge.

"A silver anchor with the letters R.N.R. above it in gold, on a medallion of black velvet, encircled by an edging of gold lace, surrounded by a laurel wreath of gold embroidery, except at the top, where a crimson embroidered in gold and silver with a crimson velvet centre, is to be placed over the medallion."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereafter accordingly.

(Signed) EDMUND HARRISON.

EXTRACTS FROM THE REGULATIONS FOR THE "ROYAL NAVAL ARTILLERY VOLUNTEERS" ISSUED IN 1873.

The "Royal Naval Artillery Volunteers" are raised under the "Royal Naval Artillery Volunteer Act of 1873."

They are subject to the provisions of that Act, and to all regulations made with regard to them by the authority of the Admiralty.

By Royal Proclamation, the Royal Naval Artillery Volunteers may be assembled for actual service; and whenever so assembled, they will be liable to serve on board any of Her Majesty's ships or vessels employed in the defence of the coasts of the United Kingdom, or in any of the tenders or boats attached to such vessels.

They will also be liable to perform all the ordinary duties of the vessel in which they may be embarked in the same manner as those duties are performed by the regular crews of Her Majesty's ships, except those duties that can only be performed by practical seamen.

They will not be required to go aloft, or to attend the fires in the stoke-hole.

They will accommodate themselves to the berthing and messing arrangements usual for the Seamen of the Royal Navy.

A Corps is a body of persons who combine, under common rules, to form a part of the Naval Artillery Volunteer Force.

The members of a Corps are either enrolled or honorary.

Enrolled members are persons of every grade, whose names are duly entered for service in the muster-rolls of a Corps.

Honorary members are persons who contribute to the funds of a Corps, but are not enrolled for service.

The Naval Artillery Volunteer Force, for administrative purposes will be formed into Brigades, and each Brigade will consist of four or more Batteries of from 60 to 80 men.

Each Brigade will be designated by a local name, in addition to its number in the Force.

Each Battery will be designated by its number in the Brigade.

Every Corps will bear a local name only. The following table contains the authorised establishment for Brigades and the Batteries composing them:—

Persons wishing to form a Corps to form part of a Brigade of Royal Naval Artillery Volunteers should place themselves in communication with the Secretary of the Admiralty.

The formation of a new Corps will not be sanctioned unless a sufficient number of persons to form a Battery are prepared to enroll themselves, and whilst any Battery already existing in the locality is below its establishment.

In offering the services of a new Corps for acceptance, it should be stated:—

- The place proposed for its head-quarters.
- The number of persons who are prepared to enrol themselves.
- The name and address of some person with whom communications on the subject may be made.
- The Brigade of which it will form a part.
- That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.

The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1850.

Officers of the Royal Naval Artillery Volunteers rank with, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.

All Officers of the Royal Navy Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

If any person recommended for an appointment as an Officer holds a commission in the Royal Navy or other Force, the nature of such commission should be stated in the letter of recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1806," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Guns, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

Every Volunteer must attend at least two drills a month until he has obtained the standard of an "Efficient."

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, of or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, of or above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the

enemy, in the command of a ship of war, or of a troops, or at the head of a Military Department, or having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick and wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished

Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State

for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, we have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be invariably observed and kept:

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall

consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

1. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eightieth.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninethy.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen

and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional pension as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PANMULL

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 20th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended;

and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intitled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class:—

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1896, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

"And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively '*The Albert Medal of the First Class*' and '*The Albert Medal of the Second Class*' to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and

establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that '*The Albert Medal of the First Class*,' when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life on Land,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that '*The Albert Medal of the Second Class*,' when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of the Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall be erased from the registry of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

HUMANE SOCIETY'S MEDALS.

Circular No. 11.—C.

Admiralty, 19th March 1890.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—my Lord Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,
W. G. ROMANES.

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October 1870.)

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire on Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are: (a) Naval Officers of the Military Branch, of all grades at lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets;ARRANT Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service previously mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
